## **Copyright Notice**

SFL Services LLC has prepared this document for use only by their staff, agents, customers and prospective customers. Companies, names and data used as examples in this document are fictitious unless otherwise noted. No part of this document may be reproduced or transmitted in any form or by any means, electronic or mechanical, for any purpose, without the express written permission of SFL Services LLC, who reserve the right to change specifications and other information contained herein without prior notice. The reader should consult SFL Services LLC to determine whether any such changes have been made.

## **Licensing and Warranty**

The terms and conditions governing the licensing of SFL Services LLC software consist solely of those set forth in the written contracts between SFL Services LLC and its customers. Except as expressly provided for in the warranty provisions of those written contracts, no representation or other affirmation of fact contained in this document, including but not limited to statements regarding capacity, suitability for use or performance of products described herein, shall be deemed to be a warranty by SFL Services LLC for any purpose, or give rise to any liability of SFL Services LLC whatsoever.

## **Liability**

In no event shall SFL Services LLC be liable for any incidental, indirect, special or consequential damages whatsoever (including but not limited to lost profits) arising out of or related to this document or the information contained in it, even if SFL Services LLC had been advised, knew or should have known of the possibility of such damages, and even if they had acted negligently.
