

ESP - Delete User

/*

Delete users from ESP which do not exist in Active Directory

Created By: Steve Ling 2024/03/07

The user name is the name from the SAM account in ADD

Or if you do the following select

select name from infuser

*/

Declare @username nvarchar(30), @UID int, @UPD int

Set @username = 'Steve.Ling'

Set @UPD= 0 --1 to delete 0 to select

--- No Changes below here

Set @UID = (select ID from infuser where name = @username)

if @UPD <> 1

Begin

select * from infTaskbutton where usernameID = @UID

select * from infUserMembership where memberID = @UID

select * from infuser where name = @username

End

if @UPD = 1

Begin

delete from infTaskbutton where usernameID = @UID

delete from infUserMembership where memberID = @UID

delete from infuser where name = @username

End
