

ESP - Delete User

```
/*
```

Delete users from ESP which do not exist in Active Directory

Created By: Steve Ling 2024/03/07

The user name is the name from the SAM account in ADD

Or if you do the following select

```
select name from infuser
```

```
*/
```

```
Declare @username nvarchar(30), @UID int, @UPD int
```

```
Set @username = 'Steve.Ling'
```

```
Set @UPD= 0 --1 to delete 0 to select
```

```
--- No Changes below here
```

```
Set @UID = (select ID from infuser where name = @username)
```

```
if @UPD <> 1
```

```
Begin
```

```
select * from infTaskbutton where usernameID = @UID
```

```
select * from infUserMembership where memberID = @UID
```

```
select * from infuser where name = @username
```

```
End
```

```
if @UPD = 1
```

```
Begin
```

```
delete from infTaskbutton where usernameID = @UID
```

```
delete from infUserMembership where memberID = @UID
```

```
delete from infuser where name = @username
```

```
End
```
